

Child Support Worksheet

① The Other Parent's Information

How much money does the other parent make every month? (Estimate if you do not know. A GMI worksheet is attached if you need help.)

Figure out the other parent's gross monthly income. This includes money received from employment, social security, unemployment, pension/retirement, interest/investments, etc.

It does not include SSI, SNAP, TANF, cash benefits from the county, or child support received.

I believe the other parent makes \$ _____ per month (this is "Gross Monthly Income")

**If this number is more than \$6000, STOP. This worksheet will not apply.*

Visit nvchildsupportguidelinescalculator.azurewebsites.net/getobligation.aspx to find the appropriate amount.

Determine what the other parent's child support obligation would be:

Gross Monthly Income (from above)	X	.16 (for 1 child) .22 (for 2 children) .26 (for 3 children) .28 (for 4 children) Add .02 for each additional child	=	Regular Child Support: \$ _____
\$ _____				

Does this parent earn less than \$1610 per month?

- No. (skip to ②)
- Yes. The court may use the low-income child support schedule instead. (check the attached chart to find the right number to enter. Use this number in steps ③④ & ⑤)

Low Income Child Support:
\$ _____

② Your Information (complete this section even if you expect the other parent to pay child support)

③ **Joint Custody.** Only fill out this section if you are asking for Joint Physical Custody.
Skip to ④ if you are asking for primary custody, sole custody, or visitation only.

Subtract the lower earning parent’s amount of child support from the higher earning parent’s amount.

Higher		Lower					
\$ _____	-	\$ _____	=	Child Support Obligation	paid by	Name of higher income parent:	_____
				\$ _____			

④ **Adjustments.**

- If you want primary or sole physical custody, the court uses the number in ① as the standard amount of child support the other parent would pay.
- If you want the other parent to have primary or sole physical custody, the court uses the number in ② as the standard amount of child support you would pay.
- If you want both parents to have joint physical custody, the court uses the number in ③ as the standard amount of child support.

You can ask for more or less child support than the amount in ① ② or ③ if you think any of the following factors apply. (check all that apply, or skip to ⑤ if none of these reasons apply)
