$ _____		

③**Joint Custody.** Only fill out this section if you have agreed to Joint Physical Custody. Skip to #4 if one parent will have primary custody or sole custody.

Subtract the lower earning parent's amount of child support from the higher earning parent's amount.

Higher $_____	-	Lower $_____	=	Child Support Obligation $_____	paid by	Name of higher income parent: _____

④ **Adjustments.**

- ▪ If <u>one parent</u> will have primary or sole physical custody, the court uses the noncustodial parent's number from ˙˙˙˙˙˙as the standard amount of child support the noncustodial parent would pay.

- ▪ If <u>both parents</u> will have joint physical custody, the court uses the number in #3 as the standard amount of child support.

Enter how much child support would be based on the above calculations:

Standard Calculation:
Based on the above, $ _____ should be paid by (*name*) _____

You can ask for more or less child support than the amount above if you think any of the following factors apply. (☒ *check all that apply, or skip to #5 if none if these reasons apply*)

☐ Special educational needs   ☐ Cost of transportation to and from visitation
☐ A parent's legal responsibility to support others   ☐ The relative income of both households
☐ The value of services contributed by either   ☐ Any other necessary expenses for the benefit
   parent   of the child
☐ Public assistance paid to support the child   ☐ The obligor's ability to pay

▶Explain:

⑤ **Final Child Support Amount Requested:** *Check one*:

☐ **We agree to set child support based on the standard calculation above.**

☐ **Child support should be set at a different amount. We agree that $_____ will be paid by (*name*) _____**

☐ **We agree that there should be no child support paid by either party.**

We agree to keep child support as ordered in our DA/Child Support case.
